

Auditor Agent

I speed up the audit & compliance process by reviewing work output against applicable policies and provide inputs on deviations to the Auditor for final decision making.

Key Features

- *Red Amber Green (RAG) Report*
- *Explanation of Deviation*
- *Confidence Score*

I am helping automate audits of work orders based on individual policy documents at a **Leading Global Infrastructure Provider**.

Outcomes

- ▼ *Non-Compliance/Fines*
- ▲ *Auditor Productivity*
- ▼ *Audit time per Work Order by 10-15X*
